A Shift Is Underway...

A seismic wave of revolution is about to shake our world, thanks to the emergence of apostolic centers. With the sage wisdom gained from developing his own church's apostolic model, Alain Caron shares on how to transform today's churches into dynamic training and sending centers. Learn:

how Scripture supports an apostolic strategy,  
how to establish a Spirit-led apostolic gathering,  
how to build an apostolic team, and  
how to collectively impact the world through the power grid of apostolic networks.

If you desire greater kingdom impact in your region, and if you want to unleash God's purposes for His church, Apostolic Centers is the guide to transforming your local church into a vibrant body—one in which every believer is an active catalyst for the kingdom.

One of the Best Books on this Subject

By rjlandis63

This volume is one of only a few books currently available on this topic. The testimonies and the way in which the author shares the process of making the transition from a traditional congregational-type of church to an Apostolic Center (A Kingdom Center) -- very valuable for Apostolic Leaders to know. The book is interesting and informative. Alain Caron is very genuine; his writing is anointed; and you will be encouraged to step forward and into the activated knowledge you glean from this book. A must read for any minister that

is being called to service in this End-Time Apostolic Age. I highly recommend it...

Must read for all Believers!

By John Keen

For any body of believers being led in this direction, Alain's book gives clear direction (and inspiration) on how to get there. I highly recommend this to every, born-again believer; even those who have never even considered this new paradigm. Actually, there's nothing new under the sun, Alain has simply captured the First Century Apostolic model presented in the book of Acts and in the Pauline Epistles. It's time for the Western Church to shift or be relegated to the 'dust heap' of irrelevancy.

Must Read for the Serious Church Leader

By Amazon Customer

This book gives a clear perspective on how apostolic ministers interact with local fellowships and where they fit within the Church, the body of Christ. The old wineskin of church structure does not accommodate the full functioning of all the 5-fold ministry gifts. The Church of Jesus Christ needs all 5 ministry gifts to be fully functional to be what the Church is called to be. I recommend this book to be read by all serious ministry leaders who desire to come into true biblical alignment.
