Beautiful story

By deo

Tracy did a wonderful job researching the time period and characters to make the reader feel as if present. It lifted Bathsheba out of the Bible and gave her a voice - - and helped me understand her circumstances and experiences that much more. I felt an amazing sense of peace upon completion of this book.

Must read

By Elsena Benson

Well written, well researched book. Very accurate and most engaging. I LOVED it!! I would feel very comfortable with my daughter reading it too. It made me look at this story through different eyes and challenged some of my preconcieved ideas. Well worth the time!

A Book You Won't Want To Put Down

By Lynette Gardner

This book was excellent! I didn't want to put it down once I got started. Bathsheba came alive for me in this story - it shows you how God can lead in your life if you give him your heart.
