A must read for anyone who has ever felt rejection!

like all books like this one

By Lutrosis

Firstly- I have not finished this book, only about a third of the way through it.

It's a different kind of read. You don't rush through it. You read chunks, and meditate on them, "chew on" them, process what you've read. Then proceed with some more.

So to get the most of it, like all books like this one, read it slowly, and some times even go back and re-read sections. I highlight parts I like, scribble notes on the side, scripture references that maybe Eckhardt didn't include but stood out to me as I read.

As to the book itself- very great. I strongly recommend it if you have had any issues with rejection. And I use the word loosely. If you know anyone that struggles with this spirit, pray about it, and if you feel the Holy Spirit prompting you to, get them this book as a gift. It is very educational and offers a lot of insight into what rejection is- it's a spirit but also a weapon and strategy used by the enemy to prevent us from ever receiving God's best... in our relationships yes but also in all areas of our lives (if you struggle with relationships, and God uses people, how is He supposed to get His blessings to you- such as that new car you've been praying for, that job, that property or home, etc?)

Highly recommend this book. Even if you don't struggle with rejection, it may be a good idea to read through this to better help you understand what others are going through so you can be more useful in helping and praying for them. I can also help you recognize red flags in your own life in case satan tries to attack you with rejection, and you'll be better equipped to fight the good fight.
