Merely page by page depending on the moment that you have to check out Government

Review

“It is important to have a mission, goals, and a well-defined endgame for any project, policy, or effort. Government by the People does that by indicating to the reader where we are going, how we're going to get there, and what we will learn along the way.”—Lawson Veasey, Jacksonville State University

“A well-balanced approach to American culture and government. Government by the People continues to improve with each edition.”—Kevin Sims, Cedarville University

“A comprehensive and great text on American politics that is easily accessible to undergraduate students.”—Linda Trautman, Ohio University-Lancaster

About the Author

David B. Magleby is a Distinguished Professor of Political Science and Senior Research Fellow at the Center for the Study of Elections and Democracy at Brigham Young University (BYU). He is nationally recognized for his expertise on direct democracy, voting behavior, and campaign finance. Dave is also the recipient of many teaching awards, including the 1990 Utah Professor of the Year Award, the 2001 Rowman & Littlefield Award for Innovative Teaching in Political Science, and several department and university awards.

Paul C. Light is the Paulette Goddard Professor of Public Service at New York University’s Wagner School of Public Service. He has worked on Capitol Hill as a senior committee staffer in the U.S. Senate and as an American Political Science Association Congressional Fellow in the U.S. House of Representatives. Paul is the founding director of the Brookings Institution’s Center for Public Service and continues his research on how to invite Americans to serve their communities through public service.

Christine L. Nemacheck is the Alumni Memorial Distinguished Associate Professor of Government at The College of William & Mary. Her research focuses on judicial selection and the role of the courts in a separation-of-powers system. Chris has received a number of awards for her teaching and research activity, including the Alumni Fellowship Award for excellence in teaching at The College of William & Mary.

GOVERNMENT PDF

Explore American politics through the Constitution

Government by the People, Brief 2012 Election Edition offers the most classroom-tested introduction to the foundational principles, processes, and institutions of American government but in a more streamlined and flexible format. Emphasizing the accomplishments of a government of the people, by the people, and for the people, this text highlights the central role people play in a constitutional democracy. Government by the People, Brief 2012 Election Edition inspires students to see how similarities and differences in political beliefs continue to shape government today

This text features full integration with the New MyPoliSciLab. MyPoliSciLab includes a wide array of resources to encourage students to look at American politics like a political scientist and analyze current political issues. Political Explorer lets students play the role of a political scientist by investigating issues through interactive data. Core Concept videos discuss the big ideas in each chapter and apply them to key political issues. Simulations allow students to experience how political leaders make decisions.

A better teaching and learning experience

This program provides a better teaching and learning experience—for you and your students. Here's how:

- Personalize Learning—The New MyPoliSciLab delivers proven results in helping students succeed, provides engaging experiences that personalize learning, and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals. MyPoliSciLab is now compatible with BlackBoard!
- Engage Students—The stunning visual design engages students in the text.
- Improve Critical Thinking— Learning objectives in every chapter help students focus on important topics.
- Analyze Current Events—Coverage of the 2012 elections keeps the study of politics relevant and shows how political scientists look at the development of the American political system.
- Support Instructors— A full supplements package including the Class Preparation Tool in the New MyPoliSciLab is available.

Very informative

By Keeper Thompson

Bought this as a required school textbook. It is actually very informative and I have learned quite a bit about American Government. Thanks

Well thought out approach to the subject matter

By John Lovell

I rented this book because it is the textbook required for a class on Political Parties. Unlike other books of this genre this one is easy to read and has a section on the right side of the text that highlights words with their definitions to remember. I like the structure and the way it is written, it made this class a bit easier and you can't ask for much more. I highly recommend this book for people looking for good information on how the Government is set up and operates in today's world.

It's fine though, it just means I need to spend ...

By TheJHam88

I bought the a la Carte edition of this book to save myself a little bit of money as it was cheaper than the binded edition. Because the description for the book did not let me know I'd need to separately purchase access to MyPoliSciLab, and because some of the user reviews said that it came with an access code I assumed that I would get an access code. Evidently I do not.

It's fine though, it just means I need to spend an extra 50 or so bucks completely negating the purpose of buying the cheaper version of the book.

If you don't need MyPoliSciLab the a la Carte edition is the way to go, otherwise be careful which version of the book you buy.
