HAPPY BIRTHDAY BY B.D. ROCA PDF

Jake Rushman is on the run, but it's too late. He's being tracked by an expert.

Motorcycle Club Enforcer Nick is tough, but even he has a conscience. It's slowly destroying him, together with memories of his parents' ugly deaths. Nick eliminates the guilty, but Jake Rushman is the innocent witness to a murder. It will be one kill too many.

Determined to find redemption, Nick plans to trade his life for Jake's. Neither man counts on the fierce, powerful bond that the collision of their opposing worlds brings, and Jake refuses to let Nick sacrifice himself. He offers Nick the one thing he's never had: hope.

But with a violent past tracking them, Nick might be forced to do the one thing he promised himself he never would—kill again.

3.5 Stars....All in all, an enjoyable read.

By Sinfully

3.5 Stars

Happy Birthday is a stand-alone short novella by B.D. Roca. A quick and intense read about a biker with a death wish and the man he is trying to save.

After witnessing a murder, Jake Rushman is on the run and trying to evade his imminent death at the hands of the Bastard Legion MC. Nick is the club enforcer who has been charged with eliminating the "problem". In other words, Nick is supposed to get rid of the witness that can land the biker club in a whole lot of hot water. However, Nick is done with the biker way of life that he had no choice but fall into at a very young age. Nick plans to walk a difficult path to redemption, one where saving Jake will be the last thing he ever does. When Jake and Nick come face to face, neither one expects a profound connection to develop. Neither one expects to fall in love.

This is a very quick read and there is a lot going on. While I did like the style of writing and the overall story arc, I did have some issues with its execution. I do realize that this is a novella and things between our two protagonists are supposed to move at a faster pace due to the length of the story. However, I wish the author would have developed the characters a little more, particularly Nick's character. Nick goes from this individual who is simply done with life to someone who has hope, possibly for the first time in his life. I would have liked to see the author dive a little deeper. She certainly has talent as a writer and I feel like I would have connected with both Jake and Nick a little more had I been given more story. We do get a very

decent story with a few sizzling hot stolen moments amidst all the chaos. And, I must say, those scenes were not only passion-filled and sexy but they were also a lot of fun to read.

All in all, Happy Birthday was an enjoyable read by B.D. Roca. This is not an overly long novella so if you are looking for something with little angst, is fun and a fairly easy read, this would be worth picking up.

I liked this one!!!

By Amber818

I didn't expect this to be as sweet as it was. And it really was friggin sweet. This is my first BD Roca story and it won't be my last. What I really liked is that the author was able to develop the characters and the story well enough that I didn't feel unsatisfied when it ended. With that said I would've liked to know more about Jake but the lack of background wasn't a story killer for me. I think the way this was told made perfect sense and flowed really well.

Nick hasn't known much love in his life. Having been forced into his Uncle's violent Motorcycle Club at a young age all Nick knows is death and violence. Deciding he's had enough of taking his Uncle's orders, he chooses to end his life and in turn save the last man he was sent to kill.

Jake witnessed a horrible murder. Believing the murderers would come after him, Jake goes on the run.

As the tables turn these two end up sharing a powerful physical connection and things start to change for both men.

Like I mentioned I wasn't prepared for the connection these two had. It was very sweet and very real. I loved knowing that Nick, having never had love was able to find that with Jake.

I knew their happily ever after couldn't last and I loved how they both were able to take back control of their lives.

Overall, this is a thoroughly enjoyable little novella that I recommend!! So sweet and so good.

BD Roca has given us a touching masterpiece - not to be missed!

By Morgan A Skye

Jake is a nice guy, accountant, in the wrong place at the wrong time. He inadvertently witnesses a murder of a drug dealer by a motorcycle gang and he knows his life is on borrowed time unless he can escape.

Nik is the nephew of the leader of the Motorcycle gang and he's set to take Jake out of the picture, but Nik's tired of this life of killing and wants to do one final "good" act before taking his own life (what he perceives is the only way to successfully leave the gang.)

Nik decides to give Jake the tools to make his escape successful but Jake turns the tables on Nik and offers him a deal he can't refuse.

**

This is a short story so I don't want to give too much away – but – WOW it really packs a punch. I was

captivated by word one and loved every single minute of the ride.

I am not familiar with this author, but I am very impressed. The writing is dark and powerful, the story flows well given it's length and the story is both fairy-tale and realistic at the same time.

Jake and Nik are a wonderful couple and their chemistry is HOT but the most tangible thing between them is their love.

I highly recommend this book and will eagerly look for more from this author.
