Buy it for the Book Title

By Swift Cheetah

This is a very funny gift for someone you know with a big ego or attitude - the cover itself is worth it! The jokes on the inside are cheesy and not clever at all. The lists couldn't be more lame - one list was how to appear smart, which included wearing glasses far down your nose. But it beats a lot of raunchy humor books out there, which are usually just gross and not funny (and not appropriate for giving to some family and friends). The reason to get this is for the cover.

What a hoot!

By Zippy

Ben Goode's writing is for the masses (i.e. anybody).

I gave this little book to my brother (We're both in our 50's and both always vying for family comedian). He said...This is the funniest stuff I ever read.

What I also like is that this book is clean, unlike a bunch of Hollywood junk that passes for comedy these days.

This book is fun! Enjoy!

Not what you think it would speak about

By Gerardo C. Guzman Lozano

I bought this because I was looking to be more humble, but this book tells you exactly the opposite. It will give you ideas to be less humble. So if you are looking to improve yourself this is not the book. plus its only like 100 pages little book.
