Must have book for coaches!

By little red peppermint

Jim Knight is one of the leading researchers in the field of instructional coaching, and this book is a "must have" book for anyone researching, working with, or in an instructional coach position. He has a coaching center at the University of Kansas, is easy to reach by email with questions, and has a great website and blog, too, to keep up-to-date as a coach!

Jim Knight Knows His Stuff!

By Lynda Apostol

As a new instructional coach, this book has served as a guide in setting me off on the right foot toward a successful career. I've been able to transfer countless lessons I learned from this book into my career as a coach. It entices self-reflection and motivates almost as though Jim Knight were sitting in front of you coaching you on coaching. Definitely a page-turner! Highly recommend!
