Lipstick Dom

By MissDrenna33

Every time I read a T Styles book, I have to remind myself not to be prejudiced towards the book and not love the book because I love her books. With Lipstick Dom, I felt so many different emotions.

As a mother, I honestly don't know how I would react if my child was living such a tortured and conflicted life as Echo did. No spoilers but to have to grow into your own at such a young age and to have so many people against you had to be hard as hell.

Having read the original book Rainbow Heart, I can definitely say I saw the growth and maturity from Miss Styles' pen. While I enjoyed the original, the remastered version blew me completely away. It was absolutely amazing. The characters complemented each other. Tons of jealousy and drama. A few honorable mentions of other characters. One can't go wrong picking up this story!!

STILL WATERS RUN DEEP

By Aretha B.

Torn between the love of her best friend, and the beliefs of her mother, Echo hides her lesbian feelings inside until her sister discovers her secret , and decides to blackmail her for her own selfish reasons.. But she soon finds out that Echo is anything but (a punk) when she is pushed to the limit.. Once shy and soft-spoken.. She springs to life with a fu.. The world attitude... This book was definitely a page-turner..
