MAKE YOUR OWN TIMELINE OF WORLD HISTORY: 365 PAGE TIMELINE & STORY BOARD DESIGNED TO ACCOMPANY ANY WORLD HISTORY CURRICULUM OR UNIT STUDY PDF

Create your own timeline of history!

365 Pages - This book could be used as a multi-level homeschooling project for the entire family.

Ideal for Ages 10 and Up, younger children will need help.

The student adds the dates, years, events, and artwork to every page. It could take years to finish this project since the book is designed to be an ongoing project. The intended use is for a Unit Study of World History on a High School Level.

Younger students could use this book to accompany and World History Curriculum including "Story of the World - for the Classical Child" and "Sonlight Curriculum".

Use pens and colored pencils to fill in the pages of this timeline. At the top of each page write down the years spanned on the page. In the spaces provided write about the era and add your own illustrations in the empty boxes.

Use this book year after year and add new things to your timeline whenever you discover something new about the past.

Open-Ended, excellent resource!

By Momtographer

[[VIDEOID:2853c4e8ff3d5c4d46bb2d52ccd3ef2e]]Wonderful, open-ended timeline! Our curriculum has a timeline idea in place, but it has it going around a room. Many of us do not have space for it and try to make

accordion books, etc. This is THE ANSWER to the space issue! See my overview of the book and then the second video is a recommended use of it.

I received this product at a discount in exchange for my honest review. I by no means review these at a high rating due to that fact...this review is honest and I love her books!

5 of 5 people found the following review helpful.

At first I wasn't too happy about that but now that we are using it

By Coffee Mama

The pages in this timeline book are the same. There is space for your child to draw pictures or add their own timeline figures. The pages are not predated. At first I wasn't too happy about that but now that we are using it, I actually like the freedom of not having dates.

I had our timeline books spiral bound to make it will lie flat. We are using this right along with our regular curriculum.

I did purchase these directly from the publisher but am adding a disclaimer because I have reviewed quite a few books for The Thinking Tree as well.

(I received a copy of this book for my honest review. I was not required to give a positive review nor was I compensated in any other way. I am disclosing this in accordance with the FTC regulations)

Liven up your history curriculum order unit studies!

By S. Evavold

I purchased this book to use with my 6th grade son's history book. The notebooking timeline pages are more useful to us than the busywork of the worksheets and tests.
