Loved it

By Danny Wall

The best praise a children's book can get is when a young child asks you to read it over and over again. This

is exactly the case with the son of a friend of mine who begs me to read the book a minimum of 3 times every time he comes over.

My grandson loved this.

By Us

My grandson chose this book and was very happy to receive it. All Scholastic books are great reading and he loves reading about dinosaurs. Win, win.

Third book by this author

By Jake Stevens

This is the third book that I purchased for my son, written by this author. Again, he has done an excellent job with the story and illustrations.
