### Amazon.com Review

Anyone attending a Messiah sing-along is most likely to fit in when using this old favorite edition. The musicological work has been superseded by Watkins Shaw's edition for Novello, but his piano reductions are idiosyncratic. This piano-vocal score has no measure numbers or rehearsal figures, but the reduction is pianistic in scope. The choral lines are in smaller type but are workable. The price is of course also highly attractive. Listeners who truly love this work may be interested in the full orchestral score--also at a great price--from Dover, edited by Alfred Mann. --William R. Braun

“Messiah” is an oratorio celebrating the glory of God. Composed in 1741 by a master of baroque polyphony, its initial reception was surprisingly modest. Today, however, Handel’s “Messiah” is one of the most famous and often-performed choral works in the Western canon.

A Higher 'Messiah'

By Fred Hohlen

This Schirmer edition of Handel's Messiah is among the better chorus/piano editions I've seen. It maintains loyalty to the original piece, presenting it in the classical format. At the same time, I find the text easy to read, and the overall size of the book to be just right.

A Fine Piano Score of Handel's Messiah'

By J Scott Morrison

This is pretty much the standard 'Messiah' piano/vocal score used in America. I've been using a copy of this edition for nigh on twenty years and it's gotten plenty of use; it is sturdy enough that it shows no sign of falling apart. The printing is clear and easy to read. There is no distracting German text as in some editions. The piano reduction is good and fairly easy to play. And the price is certainly right.

The Messiah: An Oratorio Complete Vocal Score

By G. Kendrick

Our Chancle Choir preformed excerpts with guest soloist I wanted my own score. The quickness in receiving this was of utmost importance. I was delighted to receive a copy just like the ones purchased by our church. A beautiful score to own.
