Good read and good practice for past tenses

By Jan P. Monsch

So far the best and most engaging story of the Lola Lago series I have read so far. Lots of use of past tenses. I strongly recommend to install the "New Dictionary HISPANO Spanish-English v.3.0" on Kindle to help look up words.

Ideal for accompanying the audible.com story

By KRB

I read this book along with listening to the story on audible.com. It was very helpful to have what was being spoken written in front of me. It's a simple story, at the intermediate level of Spanish knowledge.
