What does it take to be a good school principal? No two principals work in exactly the same way, but research shows that effective principals do focus on a core set of factors that are critical to fostering success for all students. In *Qualities of Effective Principals*, James H. Stronge, Holly B. Richard, and Nancy Catano delineate these factors and show principals how to successfully balance the needs and priorities of their school and continuously develop and refine their leadership skills. Throughout the book, the authors provide readers with helpful tools and extensive research that will help them to

Develop a blueprint for sustained school leadership

Create an effective school climate for learning

Select, support, and retain high-quality teachers and staff

Assess instructional high quality

Build a foundation for organizational management

Create, maintain, and strengthen community relationships

Make contributions to the professional educational community

Define their critical role in student achievement

This book also includes practical skills checklists, quality indicators and red flags for effective leadership, and an extensive annotated bibliography. *Qualities of Effective Principals* is an excellent resource for both experienced and new principals committed to developing and leading strong schools that help all students succeed.

Good condition

By Jsue

I was pleased with the condition of this book; I needed it for a Master's course, and I didn't want to pay full

price for a new one. It came quickly and I was pleased with it.
