# **SHADOW & LIGHT: LITERATURE AND THE LIFE OF FAITH, 3RD EDITION BY DARRYL TIPPENS, STEPHEN WEATHERS, JEANNE MURRAY WALKER PDF**

The third edition of this classic anthology features updated poetry and essays and drops the drama section, making the new volume both more relevant and more affordable--and a perfect book for readers seeking spiritual enrichment.

Now in its third edition, *Shadow & Light* continues to stand apart because of what it offers readers: rich, inspiring, and challenging excerpts from great literature, spanning centuries and cultures, all exploring the texture of faith and spirituality. Unlike comparable titles that draw on explicitly Christian works, this important anthology mines spiritual moments in so-called religious and secular texts alike, introducing readers to a broader spectrum of literature and inviting them to expand the capacity of their souls.

A perennial favorite among professors, students, and general readers seeking wisdom and illumination, this revised edition of *Shadow & Light* features several key changes. Most substantially, the editors have deleted the full-length plays, responding to reader comments that they'd prefer to supplement the text with full-length dramas of their choice. This omission has made the anthology more affordable, allowing readers to spend the balance on outside plays as desired. The editors have further updated the poetry section and expanded the essay section to include timely works on environmental issues.

The third volume continues to include works from Langston Hughes, Flannery O'Connor, Isaac Bashevis Singer, Dietrich Bonhoeffer, Horton Foote, Li-Young Lee, Annie Dillard, Emily Dickinson, and many more.

A great intro. to many of history's most inspiring writers

By A Customer

I was introduced to this book in a university literature class and was impressed with the caliber of the authors. Some of my favorite poets, essayists and writers are amongst the authors. I have since added other works by these authors to my library. If you want to find out more about many of history's most inspiring writers, add this book to your collection.

Everyone Should Have This in Their Library

By Becki R. Schwarz

This is a collection of best literature through the ages which reminds and enlarges the place that God plays in every man's psyche, whether he has forgotten it or not. Beautiful words and thoughts from so many extraordinary authors through history.

As fresh as if they were written yesterday.

Very nice collection

By Daniel Ahn

Has a lot of different stories, short stories, poems, and plays in this book.

Used it for my english class. I might read it outside of class too. Nice collection to any library.
