Great Book!

By Brandon Tubek

This book is fantastic in all respects. It goes hand in hand with the book Mr. Cherry wrote to teach the paramedic class as well citing page numbers, and sources along the way. It helped me pass my paramedic class, earn certification as well as my state lisc. as a proud EMT-Paramedic.

Excellent

By Amanda M.

After Paramedic school I had to take the National Registry test. I was super nervous about it. I bought this book. This is the ONLY book that I used to study. I didn't use anything else. I passed the first time with no problem. The questions in this book are very similar to the questions on the NR test. I love how it gives the explanation in the back. I definitely recommend this book~!
