Supreme Healing is a breakthrough approach to healing from any kind of illness or condition (mental or physical) one may have. The information in this book helps to heal the body, mind and soul in active harmony with natural life forces and human healing power. How healing occurs is not fully understood by any branch of science or medicine, but that it does occur is certain. Supreme Healing explores the mystery of healing and provides a direct path to the inner wisdom every human being possesses and demonstrates how to access that information any time. Healing is the birthright of every living creature. Supreme Healing unlocks the doors to perfect, complete and natural inner and outer healing that can bring about restored health to anyone who wants it. Supreme Healing has been called a "must read" by healers and PhD's around the world. It has provided healing and relief for countless readers and can help anyone who is willing to co-create their own health from the inside out.

Healing is the Divine act of Wholeness

By Love to learn

Dr. Young's book, SUPREME HEALING touched me to my core. I thought that I understood what healing meant by healers. I've been to many different kinds of healers for years and I have used various healing modalities on myself. However, after reading this wonderful and informative book, I now realize I have a long ways to go. I highly recommend this truly inspiring and helpful book.
