Using rich nursing narratives from practicing nurses as well as scholarly conceptual sources, this book paints a vivid picture of the diversity and richness embodied in the artful practice of nursing. These stories illustrate the forms of knowledge used by nurses and demonstrate essential nursing concepts, such as care, spirituality, presence, compassion, self-care, and advocacy. Readers will also examine obstacles that can interfere with their successful performance as a nurse and discover ways of overcoming these challenges.

Art of Nursing

By Lacey May

This book has anecdotes about nursing that make for an easy read. I ordered it for a nursing program but would read it on my own time. I would recommend it to anyone who is interested in exploring the holistic aspect of nursing.

The Art of Nursing book

By Carol Nivens

The book is pleasurable to read. It makes some nice points about the nursing field. I have been a Registered Nurse for over 10 years so I can relate.
