Earn Extra Cash

The Side Hustle Path is for people who want or need to earn some extra money outside of their day jobs.

Maybe you need a few extra dollars to make ends meet. Maybe you want to pay off debt.

Maybe you want to save for a rainy day, or for your children's education.

Maybe you just want to treat yourself to a nice vacation or a new car without feeling guilty about it.

Maybe you're looking for a way out of the corporate world, an escape plan. That's the ultimate financial freedom, right?

That's how I got started down this entrepreneurial path, and it's been the best choice I ever made.

You're willing to work for it, because your future is worth working for.

The challenge is time is limited, and you may not know where to start. There are a million and one ways to "make money online" and everyone wants to sell you their "proven system for Internet riches." It's hard to tell what's a scam and what's legit.

Real-World Examples

This book offers 10 real-world examples of how regular people just like you and me are earning side hustle income outside of traditional employment. Many have even turned these part-time ventures into full-time businesses, throwing off the shackles of their corporate overlords for good.

And the cool thing is, there are no special technical skills or prerequisites to get started with any of the ideas presented. Most don't require any big scary upfront investment.

This edition covers case studies in:

- Blogging
- Ecommerce
- Software and apps
- Authority businesses
