Five Stars

By Amazon Customer

I am completely satisfied, thank you to the seller.

1 of 10 people found the following review helpful.

Hated the game, so book was useless

By A Customer

This is one game I despised, this was a Diablo rip-off, of the worse kind, got rid of this game and book after plodding through a couple of levels, stupid, stupid game!!! What the heck are you supposed to do with blubber, whoever designed this game should bury his head in the books and get a different job, because game design surely isn't his talent.
