Kissed dating good-bye? Now embrace waiting on love.

By K. Garwood

What To Do Until Love Finds You by Michelle McKinney Hammond is truly a book worth reading. If you are a single woman who has ever gotten the "why am I still single bug" this is the book for you. Michelle says that our primary question should be "why am I here" and not "why am I alone." Michelle does not beat around the bush. You honestly feel like you are sitting at the kitchen table with your best friend. She is funny and truthful. Her straightforward manner is a breath of fresh air. As a single woman herself, she knows of what she speaks. She shares her bumps and bruises with the hopes that God will use them for good in the lives of others.

Her ideas are Biblical based. The references send me running to my Bible. Michelle puts words to every thing that I was feeling, but did not know how to express. Now, my heart truly has a voice. The only problem is that it won't shut up! This book is encouraging and extremely practical. Good for a dateless night! Just Kidding!

So simple yet thought transforming!

By Ruthie

Michelle wrote with a simplistic view yet so biblical and profound this could have only been God breathed revelation on how preparing yourself as a single is so important to becoming a Godly wife. She's explains how to use this season to enjoy your time with Jesus and fall in love with him. This book has helped me further my walk with Jesus and fall in love with him all over again. Thank you Michelle!

One of my favorites

By A Customer

At the top of my list of personal favorites. Hard to put down. Aspects I appreciate most are:

She tells it like it is. She makes no pretense about the secret longings and thoughts we have regarding love.

She does an excellent job of focusing on identity building scriptures, etc. Better said, she builds self-esteem as to who we are as children of God.

Although appropriate for any age, I use lots of selections in teaching teenage Sunday School.
